

William H. Draper, Jr.
Chairman, The President's Committee
to Study the U. S. Military Assistance Program

Dear General Draper:

In compliance with your request of 9 January to the Director of Central Intelligence, I take pleasure in transmitting certain data on Communist and other threats in underdeveloped areas.

With respect to your second request for informal working level briefings on the politico-sociological ramifications of military aid in selected countries, these are already underway.

We remain anxious to do whatever we can to assist the Committee in its task.

Sincerely,

/s/

Robert Amory, Jr.
